

Cambridge English Online Examination Preparation Courses

The following courses – with course numbers quoted in brackets () – are aimed at developing the skills of intermediate and advanced learners of English. Although geared towards those wishing to sit the Cambridge English FCE and CAE exams, all language learners are welcome.

Lessons take place weekly via the Zoom platform, and the use of a camera is mandatory during each 90-minute session.

Registration is required by 09.12.24 to secure a place on courses starting in January 2025. Course fees vary depending on course type and class size; please enquire at cslingfo@gmail.com.

Maximum class size is 10 participants. Comprehensive tutor feedback and support for assignments is provided to students online, as compulsory tasks will be set for home study to ensure effective learning and facilitate successful course completion.
